

## **Getting to the new EastFolk**

Bear with us on this one! The roads approaching the Sotterley Estate near Beccles are mostly small, single track lanes. The official AA road signage system has been designed for your benefit and for the local community, to avoid congestion on these country roads.

Please keep to the signposted route and IGNORE YOUR navigational devices once following the signs.. Your sat nav at this point will take you to both a tiny road and the wrong entrance (normally a cow field!) trust us!

Whether a weekend camper or day camper, please follow directions to CAMPING

*Pre-booked Accessible Parking, shares an entrance with all weekend campers.*

The weekend CAMPING Box Office will be open from Thursday at 2pm for weekend camping tickets

If a day ticket holder or weekend ticket without camping please follow directions to DAY TICKETS. The DAY TICKETS Box Office will be open from 10 am Friday, Saturday and Sunday. No entry on Thursday.

**So.... these signposts then... they will be picked up at the following locations:**

**BLYTHBURGH, A12 if heading North from Ipswich**

**BENACRE, A12 if heading South from Lowestoft**

**BECCELES, A146 towards Lowestoft - so if heading East from Norwich and beyond**

**If you don't pass these points don't fear! The signs continue and will be picked up along the A145 for anyone joining from local areas and the same applies to the A146. The signs will also be at all major intersections joining the A145 and A146 so you can't miss them as you approach. All routes to the site are routed via the A12, A145 and A146.**

**For weekend campers:**

You will pick up this sign when travelling to Sotterley via all routes listed above. You will pick up these signs on the A145 if travelling to Sotterley via sat nav.

Eventually the day tickets (and weekend without camping) and camping routes will split as they require the use of different entrances. When this happens you will see this sign:

Once the signs have split you will then follow these signs to the camping gate:

**For day tickets and weekend tickets without camping:**

You will pick up this sign when travelling to Sotterley via all routes listed above. You will pick up these signs on the A145 if travelling to Sotterley via sat nav.

Eventually the day tickets (and weekend without camping) and camping routes will split as they require the use of different entrances. When this happens you will see this sign:

Once the signs have split you will then follow these signs to the day ticket and weekend without camping gate:
